

official amplification
victory diy crownish,
tiara-like thing of
awesome victory,
for the win!

instructions

you'll need scissors; a glue stick, stapler, or tape;
crayons, markers, glitter, macaroni, and whatever else
you want to use to decorate.

1. print the pattern onto paper or cardstock to use as
the crown or as a template to trace.

2. cut out the crown front & the two headband
pieces. (continued on page 2...)
